August Speaker

Janet Fogg

TVQG's speaker for August will be Janet Fogg. Here is a bit of information about Janet.

Skill and imagination are key words for describing Janet Fogg as an artist and pattern designer. They are what she strives to show when creating her original art quilts and what she hopes to share with other quilters with her collection of quilt patterns/kits for public use.

Mostly self-taught, Janet has been sewing since childhood when after losing her mother she claimed the family sewing machine as her own. "It became a tool for survival, both practically and emotionally." Janet knew at a young age that she wanted to be an artist and pursued a graphic design degree and a career in art direction.

What she didn't know was that someday she would sew her art. "After leaving my design career to be a stay at home mom, I began to patch my two creative worlds together. All it took was one quilt and I was hooked." Many of the idea generation and design skills she practiced as an art director have surfaced in her approach to quilt making including visualization and brainstorming. "The idea or the beginning is the most important part of the work."

Winter Bazaar

TVQG would like to remind our members the 2018 King City Winter Bazaar will be November 9th and 10th at the King City Clubhouse.

This year's chairpersons are Judy Orlandini and Cathy Harper.

It's never too early to think about creating items to donate to the bazaar. Items that have sold well in the past were table runners, placemats, totes small bags, quilts - both large and small, and various other hand-crafted items that might be appropriate for a shopper to give as a holiday gift.

Membership

Five new members submitted applications to join TVQG in July, and we would like to thank each and every one of those ladies.

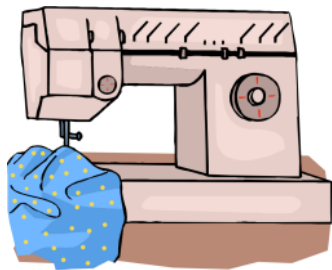

Antoinette Gratteri of our Membership Committee reports we have 37 members that have renewed their membership for 2018-2019, leaving 25 prior year members yet to pay their dues.

Enrollment for TVQG's 2018-2019 member year started in June. Membership applications are available at the General Meeting Sign-in table, [TVQG's Website](#), and are included with this newsletter. Dues are \$35 yearly. Applications and dues may be turned in at any General Meeting or mailed to the address on the application.

Sit and Sew Day

Our next Sit and Sew Day will be **October 13th, starting at 9:30am in the Banquet Room of the King City Clubhouse**. A signup sheet will be available at the General Meeting sign-in table during our August and September Meetings. There is a \$5.00 fee to reserve your spot.

Our Sit and Sew Days provide local quilters an opportunity to gather together for the day to quilt and sew. However, many of us have found attending a Sew Day is as much of a social experience as it is a quilting experience.

We'll have ironing boards, irons, and a cutting station set up for you to use. If attending should plan on bringing your own sewing machine, tools and projects to work on.

TVQG will be providing lunch, bottled water, coffee and tea for this event.

UFO Challenge

Our UFO challenge is currently underway and will conclude at the October 16th general meeting.

Participants in this challenge are eligible to receive one drawing ticket for each quilt they complete from their UFO list. Three winners will be chosen by a random drawing.

The more quilts you finish the better your chances are of winning a prize. If participating in this contest, bring your completed quilt to any general meeting, present it during Show and Tell, and make sure you collect a ticket for each UFO Quilt presented.

What's Your Favorite Charity?

Do you have a favorite charity organization that you like to donate your quilts to? Some of our members independently donate their work to local hospitals, hospices, animal shelters, or emergency response organizations, and that is truly wonderful because it's all about what speaks to us personally.

TVQG is totally open to any and all suggestions. If you would like to suggest causes or charitable organizations sponsor, please reach out to us. If you've made a quilt to personally donate to any cause, we'd love to see it at our monthly Show and Tell, and know who or to what organization it is being donated to.

Northwest Quilting Expo

Portland's Original Sewing and Quilting Festival

Join us in September!

We've come a long way in 18 years! Our first show was held at the Washington County Fairgrounds in 2001. The show catalog was black and white. We featured around 20 vendors, and maybe 100 quilts. But we had a strong vision, and the next year we moved to Portland Expo Center, where we remain to this day. Expo became larger and larger. Our show catalog added color. And we had room for classes!

Each year we strive to make our show the best ever. We now showcase over 500 quilts in a variety of exhibits! We invite [vendors](#) who we know will offer unique and different items. And we feature talented instructors who teach [classes](#) that explore the diversification of quilting and other handcrafts. Our goal is to inspire and excite everyone who attends our show.

So don't miss the 2018 NW Quilting Expo! [Take a class](#) from one of our many featured instructors: Jen Carleton Bailly, Libs Elliott, Rosemary Burris, Sujata Shah, Mathew Boudreaux, Ellie Lum, Pam Raby, Sheila Sinclair Snyder and Christina Cameli. [Do some shopping](#). And take time to admire the quilts and [special exhibits](#).

Domino

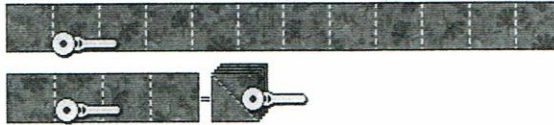

This makes a 10" block!

Please abide by the Terms and Conditions of use! :o)

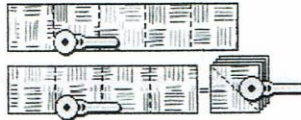

** Preparing the Pieces and Sewing the Block **

COLOR 1
BLACK

Start by cutting the Color 1 2-1/2" x 30" strip into twelve 2-1/2" squares. Then cut the Color 1 2-7/8" x 11-1/2" strip into four 2-7/8" squares. Stack those 2-7/8" squares and cut them in half once on the diagonal to make eight half square triangles...

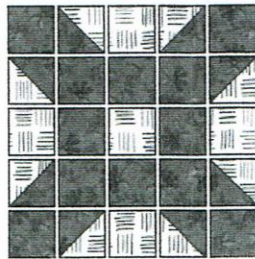

COLOR 2
WHITE

Next cut the Color 2 2-1/2" x 12-1/2" strip into five 2-1/2" squares, then cut the Color 2 2-7/8" x 11-1/2" strip into four 2-7/8" squares. Stack those 2-7/8" squares and cut them once on the diagonal to make eight half square triangles

Next, using a scant 1/4" seam sew the Color 1 and Color 2 half square triangles right sides together in pairs to make eight half square units. Trim these to measure 2-1/2" if needed...

Now lay out all the squares and half squares as shown at left. Sew five horizontal rows, alternating pressing direction by row. Join the rows to finish your Domino block! ...on to Page 2!
